LinkedIn: [/MatthewWhite](#) | Portfolio: [Matthew White](#) | GitHub: [/MatthewWhite](#)

Full stack web developer leveraging background in software engineering and customer service to provide unique perspectives on how end-users interact with websites and software platforms. Earned a certificate in Full Stack Web Development from the University Coding Boot Camp. Innovative problem-solver who is passionate about developing apps with a focus on mobile-first design and development. Strengths in problem solving, teamwork, and building projects from ideation to execution. I look forward to exciting new projects that will challenge my knowledge and develop my experience.

EXPERIENCE

Shift Supervisor
Starbucks

2012-Present
Los Angeles, CA
Sandy, UT

Supervised and coordinated a team of baristas to consistently bring the Starbucks experience to our customers and partners.

Key Accomplishments:

- Co-developed a friendly, accepting, and productive environment for success in our business.
- Collaborated with managers to successfully problem-solve and engineer solutions to grow our business further.
- Worked with managers to train and develop baristas into supervisors and bring success to each partner.

EDUCATION
